☞ The effort for raising, by special subscription, enough to reimburse our late Treasurer, has been well begun. It must all come from comparatively few, and those mainly in this city; and we earnestly hope, that the whole amount needed will be cheerfully subscribed very soon.

☞ The American Peace Society, taking as the basis of co-operation the principle that war is inconsistent with Christianity, and the true interests of mankind, confines its efforts to the one object of preventing international wars, and has nothing to do with any of the popular theories respecting capital punishment, anti-government, or non-resistance, but invites all who favor its object, to unite with the Society by the payment of \$2 as an annual subscription, or \$20 as a life-membership.
